Freda L Barton is the owner/ operator of Mrs. B's Barber Shop in downtown Prince George. The first location was the Prince George Hotel and is now at 335 Dominion Street, which has been very busy with old and new customers.

Freda is Haisla and was born and raised in Kitamaat Village, BC. I moved to Prince George in 1994 to take hairdressing and barbering. I rented barber chairs, worked for other people until Kitamaat helped me open my own Barber Shop here in 2009. Mrs. B's Barber Shop's are men, children and women. A lot of devoted customers have followed me around Prince George since 1995.
